Jessica Biel's Wedding Ring From Justin Timberlake Worth \$3,000

Justin and Jessica exchanged vows on Friday Oct. 19. Not only have they gushed about the wedding in a new interview, but we also get to feast our eyes on Jessica's GORGEOUS ring, which seems to be quite expensive, a jewelry appraiser tells HollywoodLife.com EXCLUSIVELY!

Justin Timberlake and **Jessica Biel** reportedly tied the knot in a private ceremony in Italy! Justin, 31, and Jessica, 30, celebrated their nuptials surrounded by 150 family and friends!

"It's great to be married, the ceremony was beautiful and it was so special to be surrounded by our family and friends," the couple told *PEOPLE* in an exclusive statement Friday.

Exiting the Borgo Egnazia resort in Fasano, Italy on Oct. 21, the *Valentine's Day* actress, 30, emerged for the first time since the wedding ceremony in jeans, an off-the-shoulder white shirt and sunglasses. However, our eyes were fixated on Jessica's new ring!

Anthony Sarkissian, a jewelry appraiser for Premier Jewelry Lenders in Beverly Hills tells **HollywoodLife.com** exclusively that the ring is most likely quite pricy! "It's almost impossible to see any detail based on that picture but it looks to be either a white gold or platinum plan band. Price could be anywhere from \$1000-\$3000. If the top on the ring has gemstones, then it could be in a completely different price range," he tells us. Jessica's wedding band now accompanies her **huge engagement ring** that she's been sporting for the past year.

"It was magical," Justin, 31, said of the ceremony. "It was an unforgettable evening."

Jessica, 30, agreed saying, "It was a fantasy."
